

Ecco una raccolta di vecchie cartoline di Monterenzio e delle sue frazioni. Da esse possiamo vedere come é cambiato il nostro paese con il trascorrere del tempo.

In parte appartengono alla mia collezione, altre sono state fornite da appassionati collezionisti, che le hanno raccolte con pazienza e dedizione in vari anni, cercandole nei mercatini, nelle mostre, scambiandole con altri collezionisti e conservandole con cura. Per il momento sono poche, ma il loro numero é, senz'altro, destinato a crescere.

Chi fosse interessato a informazioni su di esse o ad un loro eventuale utilizzo, [può contattare Monterenzio In](#), che farà volentieri da tramite con i legittimi proprietari.

Se disponete di cartoline che vorreste pubblicare, potete contattarci cliccando sul seguente [link](#). Saremo lieti di ospitarle.

[Monterenzio, immagini di un territorio](#) , scritto da Franco Ruscelli e pubblicato nel 2001 dalla Banca di Credito Cooperativo di Monterenzio . All'interno di questo libro potrete ammirare non solo le cartoline pubblicate fino ad oggi in queste pagine, ma anche tantissime altre, molto belle e rare, delle quali non dispongo copia nella mia collezione.
